More days in daze. More scripts, more novels. More pages and clammy business cards passed of in moist handshakes. More Melissa. More pointless shopping sprees and more people to please. More dusty blond boys and speedos.

10/12 Point

I keep on cracking jokes, right? Because I'm funny. I want to be funny. Only each time the punch-line falls flat. My delivery is off. I keep glancing between the menu and the fois gras printed out in rounded serifs and the waiter laughing politely, anxiously. I settle on the duck since it strikes me as funny somehow. She picks her teeth and nods.

8/10 Point

The 'clack' of the cab door snaps me back and I nervously glance up at the departures sign. Numerals slither rapidly as I scan the board. SK402 to Copenhagen. Exhausted i push through security – belt, shoes, watch, laptop and slump down at the nearest bar. I slip out my credit card, leaving it on the bar and pick at the polaroid with Melissa's number on the back. 8 digits, XXX and Melissa with a heart dotting the i.

6/8 Point

The tattoo guns passes around the table- A kid etches out 'MOMS' in blue biro ink laughing hysterically as the machine purrs across his forearm. I can see Melissa through the open door to the bathroom, perched on the toilet, a pair of boys briefs around her ankles, absentmindedly smoking a cigarette and blowing smoke rings; O followed by Q followed by O.

*The 'clack' of the cab door snaps me back and I nervously glance up at the departures sign. Numerals slither rapidly as I scan the board. SK402 to Copenhagen. Exhausted i push through security – belt, shoes, watch, laptop and slump down at the nearest bar. I slip out my credit card, leaving it on the bar and pick at the polaroid with Melissa's number on the back. 8 digits, XXX and Melissa with a heart doting the i.*

*The tattoo guns passes around the table- A kid etches out 'MOMS' in blue biro ink laughing hysterically as the machine purrs across his forearm. I can see Melissa through the open door to the bathroom, perched on the toilet, a pair of boys briefs around her ankles, absentmindedly smoking a cigarette and blowing smoke rings: O followed by Q followed by O.*

I keep glancing between the menu and the fois gras printed out in rounded serifs and the waiter laughing politely, anxiously. I settle on the duck since it strikes me as funny somehow.
